

FROOTIE
EVOLVE

THE FUTURE OF BLENDING

LIMITLESS - HEALTHY - SMART

KEY FEATURES

COOKING FUNCTION

1st high-speed blender with a cooking setting for quick & smooth soups, chunky soups, sauces & more.

STEAMING FUNCTION

Steam your ingredients before blending. Also ideal for baby food & dips.

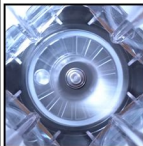

VACUUM FUNCTION

Zero oxidation as air is removed from the jug prior to blending. Smoothies are incredibly fresh, delicious & full of nutrition.

2 x GLASS JUGS

No BPA's & no Plastic - 2 x Reinforced Tempered High Boron Glass Jugs (one 1.75l heating jug and one 1.8l vacuum jug).

HIGH-SPEED BLENDING

Powerful 2400W motor: Ideal for smoothies, ice crushing, ice cream, nut butter & much more.

BLUETOOTH CONNECTIVITY

Bluetooth connect allows you to operate the blender from any room of your house.

VOICE ACTIVATION

Built-in voice recognition software enables you to operate the wonderful machine by simply speaking to it.

EASY TO USE

Intuitive digital control panel and display makes it easy to use the various preset programs, pulse function or manually set speed, temperature & blending time.
