WHAT CAN YOU PREPARE IN THE OPTIMUM 9200A?

Smooth Smoothies

Kale, lettuce, celery, spinach, mints, cucumber, bananas or carrots, the Optimum will make sure your green smoothie is smooth and not fibrous.

Delicious Nut Butter

Chocolate Hazelnut, Peanut Butter, Almond Butter... you name it! The Optimum will make the most delicious preservative-free nut butters, using only one ingredient.

Crush Ice

The commercial-grade 3.8 Horse Power motor allows the Optimum to crush large quantities of ice in seconds, perfect for smoothies, slushies and ice cream.

Frozen Fruit Ice Cream

The Optimum turns your favourite fruits into a fat free, preservative free, beautiful guilt-free bowl of ice cream.

Hot Soups

The same blender which can make frozen ice cream can also make steaming-hot soups from all natural ingredients in less than 10 minutes! The Optimum's incredible speed, allows the blender to heat the contents through friction heat.

Spreads & Dips

Whether you prefer a silky-smooth hummus dip or a chunky tomato salsa, the Optimum is here to help, offering you a range of dips and spreads to choose from.
